- Web technologies (HTML, CSS, JS, React.js, Tailwind)
- Data visualization & analytics (D3.js, Python, Pandas)
- Git/GitHub

*Soft Skills*
- Communication & collaboration
- Problem solving
- Agile methodologies
- Presentation & communication
- Time management

## WORK EXPERIENCE

### Frontend Engineer | Internship
Polygraf AI - www.polygraf.ai
Jan 2024 – Aug 2024
- Built an AI detector browser extension from scratch and organized a university launch event, leading to 150+ new Chrome installs.
- Co-led a data labeling competition, collecting 10,000+ samples from 100+ participants.
- Contributed both design and development of 5+ product features.

### UI/UX designer | Internship
KTLab | Cybersecurity LAB
May 2023 – Sep 2023
- Designed UI for a cybersec learning app used by 200+ early users.
- Worked closely with managers to align design with project goals.
- Delivered 5+ interactive prototype iterations tested by stakeholders

### Functional Tester | Internship
A1QA - www.a1qa.com
Sep 2022 – Nov 2022
- Conducted functional testing on 8 apps, reporting 50+ issues.
- Wrote 15 detailed test cases and collaborated with QA teams.

## PROJECTS

- **Interactive Menu App** – Designed and tested a digital restaurant menu with 20+ participants from diverse backgrounds; 85% rated it accessible and easy to use.
- **UX Study – Goodreads** – Conducted a UX study with 16 users completing 3 structured tasks; analyzed 100+ survey responses and cursor-tracking data to identify book recommendation issues.
- **Coffee Data Visualization** – Created 11 interactive visuals mapping global coffee trade, production, and consumption,

## CERTIFICATIONS

- **TotalEnergies** E&P International Scholarship Program
- **Summer School** at Université de Strasbourg - selected as one of the top 5 students in cohort
- Achieving 1st Place at Polygraf AI **Hackathon**
- Participation in **YouthSpeak** Forum by AIESEC in Azerbaijan

## VOLUNTEERING

- **Khan Academy** – Translated educational content into Azerbaijani.
- **Nature Friends Az** – Supported local environmental initiatives.
- **UFAZ Student Council** – Mentored first-year students.
