Languages	English (C1, IELTS 8.0), French (B2), Turkish (fluent), Azerbaijani (native)

EXPERIENCE

Wiremind PRODUCT OWNER UX · Paris, France	March 2026 · Present
- Created 20+ interactive prototypes and design iterations using Figma and Claude Code. - Conducted user interviews with 6 participants to help define AI-based prototyping workflows. - Built a sprint monitoring dashboard with 5 data visualizations.	
Polygraf AI FRONTEND ENGINEER · Austin, Texas, USA	Jan 2024 · Aug 2024
- Implemented a library of reusable, responsive React components. - Developed an AI detector browser extension and organized a launch event that drove 150+ new installs. - Redesigned an e-commerce extension with a clean onboarding flow; uninstall rate decreased by 20%. - Built a data-labeling competition in the company website, gathering 10K+ samples from 100+ participants.	
KTLab, Cybersecurity Lab UI/UX DESIGNER · Baku, Azerbaijan	May 2023 · Sept 2023
- Designed the logo, landing page, visual language, and more for a local startup. - Translated 20 technical CTF UIs into user-friendly UIs that comply with brand guidelines. - Startup received recognition from KOBIA Azerbaijan and a 10K AZN investment.	

EDUCATION

Institut Polytechnique de Paris Master's (MSc) · Computer Science: Interaction, Graphics & Design · CGPA 16.5/20 · Palaiseau, France	2024 · 2026
Université de Strasbourg (UFAZ) Bachelor's (BSc) · Computer Science · CGPA 14.5/20 · Baku, Azerbaijan	2020 · 2024

SELECTED PROJECTS

- Protoca**: Chrome extension that hands AI your real UI instead of a description; shaped by **7 user interviews**, now used by product teams of Wiremind.
- LingoPro**: turns any text into a French vocabulary lesson; built for one real professor, then adopted by **5 professors**.
- Interactive Menu App**: user interviews, personas, and usability testing with **20+ users**; **85% accessibility rating**.

ACHIEVEMENTS	2nd place, Huawei Tech Arena Hackathon (Finland) TotalEnergies E&P International Scholarship Program Summer School at Université de Strasbourg (top 5 of cohort)
VOLUNTEERING	Khan Academy : translated educational content (ENG → AZ) Nature Friends Az : local environmental initiatives UFAZ Student Council : mentored first-year students
